Leap Year Children's Party

Lunchtime on Thursday 29th February 2024.

A birthday party has been arranged at midday in Bude on Thursday 29th February 2024 for Leap Year children. Christopher Darwin was born on 29th February 1944 and will be celebrating his 20th birthday.

A similar event in 2020 attracted 14 other 'Leapers' celebrating from 4th to 17th birthdays.

A function room at a hotel near the sea has been booked from **12:00 for 2 hours on Thursday 29th February 2024.** Most private celebrations will be in the evening, hence this lunchtime gathering in Bude.

Christopher says "I am aiming for more than a dozen Leap Year's day children and each can bring a friend, relation, spouse or other 'responsible adult'.

There are already eleven from 2020 on the list.

"I shall provide the buffet and the drinks – under-age alcohol will be permitted for the over-fives.

"I plan name tags with birthday numbers and guests can certainly dress as their Leap Year ages.

I shall need some evidence – a passport, or a driving licence from the over-fours."

Readers who know someone born on 29th February who is within range of Bude should pass on the invitation.

Leap Year children, please make contact.

Rev David Barnes

Rev David Barnes sadly passed away on Friday 20th January whilst on holiday abroad with his family. This was entirely unexpected and particularly tragic as he only retired as our Rector in July of 23. Those who knew David knew a kind, gentle, sociable man who loved his family and his dogs, was a social beer drinker, loved pool and enjoyed a round of golf with his friends. He was a loving and supportive vicar and despite his struggles with his health in recent months would do all that he could to support those in his care which included everyone in the parishes and not just those he would see in church. We send our condolences to his family, mourn his passing and miss his company.

AI True or False

The concept of computerized advanced intelligence began in the 1950's and programmers have been working to turn that concept into reality since that time.

We now have something which is getting close to that concept, only it is my belief, falling short of the target. The term Artificial Intelligence may be considered false or not real, yet sadly many people are being taken in by what they see in text or imagery as being true, fact and accurate, yet it can be completely false and fake!

Why do I say this? 30 years ago, Wikipedia developed an encyclopaedia and the public could contribute online content, which they did enthusiastically, only to find much of the content to be false or incorrect. It is also true of social media; some contributors have deposited information which is completely fake, false and incorrect.

Some of it is also defamatory and libellous, as recent court cases have confirmed.

Now AI chat bots scan the internet for data and collect true and false information alike, but the same type of software will also harvest your personal or private data, but as this can be seen in social media accounts by the whole world, it should not be considered to be personal or private when on the internet. Anything generated by an AI system is currently outside of patent or copyright, making it easier for a scammer to recreate, use or abuse.

Photos are easily copied, created, reformed or morphed with others, voice text can be copied and presented falsely to unsuspecting listeners all for nefarious purposes. Millions of victims can already attest, it is easy to fall into a trap!

One day, very soon, ADVANCED intelligence will be in use and applied correctly, it will make trillions of dollars for some, others may hope they will benefit from it.

Nonetheless the world will be different and some will rue the day AI was developed (but that's for another time).

**THE LESSONS EVERYONE SHOULD LEARN IS NOT TO BELIEVE
EVERYTHING YOU SEE, HEAR OR ARE ASKED TO PARTICIPATE IN
AT THE TELEPHONE OR WHEN SURFING THE INTERNET. MUCH OF
IT IS FAKE. THE COST CAN BE GREATER THAN YOU THINK!**

Poetry and Puds

Before Christmas, Week St Mary Church Advent Reflections usually includes a popular Poetry and Puds evening which in 2023 was cancelled for a variety of reasons.

We decided we would hold it in the new year instead. So, the event will be held on 2nd February at Wyke House (home of Linda Cobbledick) at 7pm. The idea is that you bring a favourite poem or other reading to share.

You may like to simply use WINTER as your inspiration this February, but this is very flexible.

If anyone would like to offer a tasty Pud, please let Lesley know so that we have a good variety.

This is just a social occasion when we won't be fundraising. Do join us if you can.

We had approximately 40 people for this event, with music from Jackie and a bring and share supper, the raffle brought in enough money to pay for the hall at Bridgerule as this was a free event.

Sybil Dickenson

A huge thankyou to all our friends, neighbours and members of the community for the enormous number of cards, telephone calls and emails we have received following the death of Sybil, Rob’s Mother, last week.
At one hundred and two she had a wonderfully long life and died peacefully in her sleep and will be sadly missed.
