## **Week St Mary Church Christmas Market**

The Church Christmas Market was held on November 22nd and as usual attracted many very clever local artists and Crafts people plus a large crowd of customers keen to browse the stalls, eat hotdogs and drink mulled wine. It was a lovely social occasion which proved successful for the vendors and contributed well towards church funds. Thank you to everyone who helped out during preparations and on the evening itself

## **Week St Mary Church Mulled Wine Evening**

The annual Mulled Wine evening at Week St Mary was hosted by Stephen and Micheline Smith (although Stephen kindly isolated himself as he was suffering from the flu, sorry Stephen you missed a great evening). Micheline provided copious quantities of mulled wine and a fabulous spread of tasty nibbles. Thank you to Jeannette Turner on the raffle, to Micheline for all her hard work and to all who came to enjoy the evening. Commiserations to all those who couldn't come due to illness.

## Week St Mary Adventure Church Christingle at St Anne's Home

On Tuesday 9th December, Week St Mary Adventure Church decamped to St Anne's Residential Home at Whitstone where they shared their Christingle service with the Residents and Staff. Revd David led a joyful service where no one got burnt and we all enjoyed a lovely tea provided by the home. Thank you very much.

Congratulations to all the Adventure Church children who were praised for their very good manners by the activities manager at the end of the evening.

We'll start the new term on Tuesday 13th January. All children over 4 years old are very welcome to join in from 4.30pm in the church. (Younger family members welcome if supervised).

## Lego Café

The Week St Mary Lego Café has been active throughout the year, welcoming children from the village and surrounding area to build with our amazing collection of Lego. Also, many adults who come for a slap up cooked breakfast once a month.

We will be back on January 10th and February 7th (to avoid a clash with our Valentine's Day celebrations). All are Welcome.

# MEET AND EAT

Next meeting Monday 5th January  
Soup & Sweet from 12:00 noon and a  
friendly chat in the Parish Hall

Open to all ages newborn to 100+  
come and enjoy some lively helpers & company,  
a choice of soups and more importantly  
a great choice of desserts.  
Sue Edwards WSM341083

***Everyone and we mean EVERYONE is most welcome***

## Lunch Club

The WSM Lunch Club meets once a month in the church and celebrated with a Christmas meal on 17th December.

We have room for a few more at our regular meetings which take place on the 14th January and 18th February, (and again 18th March) starting at 12pm.  
Bookings essential please to 01288 341221.

## Celebrations This Month

Ronnie Samuel Walpole	A Very Happy 7th Birthday on the 1st Jan
Bob Booker	A Very Happy Birthday on the 12th Jan
Charlotte Sandercock	A Very Happy 16th Birthday on the 13th Jan
Reuben John Woolf	A Very Happy 7th Birthday on the 29th Jan

## Ruminations from the Rectory

### Three Vicars

The Devil appeared to three vicars and asked them this question. “If I gave you the power to change something in the past, what would you change?”

The first vicar answered with great Apostolic fervour saying, “I would like to prevent you from leading Adam and Eve to sin so that humanity doesn't have to be separated from God.”

The second vicar was full of mercy and replied to the Devil, “I'd prevent you from straying from God in the first place.”

The third vicar was the simplest, and instead of answering the tempter, he knelt down bowed his head and prayed. “Lord deliver me from the temptation of what might have been, and what was not.”

The demon screaming and trembling with pain, fled. The first two vicars were surprised and they said to third one. “Brother why did you react like this?”

He answered them, “First we need to never talk to the enemy. Secondly no one in the world has the power to change the past, and finally, Satan's interest wasn't to prove our virtue, it was to trap us into our pasts so we couldn't walk in the present where God wants to work in our lives right now. Of all the demons in this world, the one that holds people back the most and prevents them from living out their purpose in Jesus is, what could have been, and what was not.”

The Bible says, Forgetting what is behind, and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus. Philippians chapter 3 verses 13-14

Story taken from Instagram. Highlight truth

Revd David

## Crib Service on Christmas Eve

Week St Mary Church held its annual Crib Service on Christmas Eve. The Nativity tableau was assembled with twenty or so actors aged 5 months to 17 years, dressed in Nativity Costumes as the story of the Christmas Journeys was told.

Rev David Saunders and Mrs Saunders narrated the story and the baby Jesus was played this year by Eliza Shipton, Thank you to all the families who came to take part and to Linda Cobblewick, Sue Isherwood, Sue Booker and Lesley Booker who worked as wranglers for excited children and Bob Booker who played the Donkey. Thanks also to Micheline Smith, Judith Taylor and Abi Morrison who dressed the Crib with the Crib figures at the end of their Advent journeys, during which they visited 90 households in the village and wider parish.

Every Wednesday @ 8:30am there will be a zoom service of Morning Prayer

Full details are available via [achurchnearyou.com](http://achurchnearyou.com)

## **BYSTANDERS CAN BE LIFESAVERS**

**CAN YOU ADMINISTER CPR?  
DO YOU KNOW HOW TO USE A DEFIBRILLATOR?**

## **2 VITAL SKILLS THAT COULD SAVE THE LIFE OF A FAMILY MEMBER, FRIEND OR NEIGHBOUR**

Living in an isolated village many miles from major hospitals, and with over 70% of cardiac arrests occurring at home and about half being witnessed by a bystander, why not start the year with a resolution to learn these important skills which could save a life! Quick intervention can be the difference between life and death.

In the UK there are over 30,000 out-of-hospital cardiac arrests annually, 12 people under 35 die each week from cardiac arrest and it could simply happen to **ANYONE** of us at **ANY TIME**. As we now have 2 defibrillators in Week St Mary we have the tools so now we need the knowledge of how to use them!

**Join us on:**

 **Thursday 8th January**

 **7.00pm**

 **Week St Mary Parish Hall**

for a talk focussing on CPR and how to use a DEFIBRILLATOR by ANDREW COLLINS, a Community Engagement & Training Officer from the NHS South Western Ambulance Service. The Bude Community First Responders team will also be in attendance

EVERYONE - men, women, teens and children - is welcome and encouraged to attend this **FREE** Community Event.

Donations for a charity that supports Community First Responders would be appreciated

## **2 HOURS OF YOUR TIME COULD SAVE A LIFE**

**We look forward to seeing you there!**

This is a **COMMUNITY EVENT** event organised by  
Week St Mary Bonaventures Women's Institute  
**FOR the Community**

## Happy Memories Memory Café

Happy Memories memory Café is open to everyone of any age who may be experiencing memory difficulties. Friends and carers are also very welcome. This is not solely for those with serious difficulties but also for anyone who feels their memory can sometimes be unreliable.

We all have these moments of uncertainty and concern and the Happy Memories memory café aims to help with companionship and fun activities that everyone can enjoy. There is no stigma to joining a memory café.

We meet at 2.30pm in the church and aim to finish by 4.30. We hold activities and talks, which are designed to aid those with Memory loss and Dementia and welcome a wide range of people of all ages. We always finish with tea and cakes of course!

We have people attending from the surrounding area as well as our own village. We meet once a fortnight on January 12th and 26th and then February 9th and 23rd. March will also be 9th and 23rd.

We are supported by the Cornwall Memory Café network. Why not come along?

## COMMUNITY MONEY ADVICE LAUNCESTON

During 2025 the Cornwall PEOPLE IN MIND outreach project has enabled Community Money Advice Launceston to visit and meet local residents of some of the most rural villages and hamlets within North East Cornwall, including Week St Mary. This has enabled our team to become engaged with some of the least advantaged locally. The elderly especially, including those who may be experiencing difficulties within their finances, particularly with their utilities, local taxes and benefit structure.

The FREE services which CMAL offer in these areas has been particularly welcome among those who find it so difficult to keep abreast with the newer methods in technology. With nationally 1 in 7 people being unable to communicate effectively with the internet/email/online banking system, it is little wonder why our team is fully stretched to help. We have a policy of helping every genuine request for help. One of the main lessons we have learnt from our visits is that many local people were unaware of us, or the areas in which we can help, and especially the direct contact we have with some agencies, like SouthWest Water or Cornwall Council about council tax problem

The major areas of immediate concern to many of our clients currently are:

PENSION CREDIT      WINTER FUEL PAYMENT      BLUE BADGES      PIP  
renewal

If you are worried or feel the forms to fill are too complicated. DO NOT WAIT.

If you feel you would like to contact outside our visit dates, then make an initial contact by phone on 01566 777407 or 07762 092 830 and leave a message on our answerphone if our office is closed. For those who prefer email then our contact is [office@launcestonmoney.co.uk](mailto:office@launcestonmoney.co.uk) . In the last year more than 800 residents in North Cornwall have had our help. Many in Week St Mary and the surrounding hamlets.

## HUMANOID ROBOTICS ARE ON THE MARCH!

What is 2026 to bring to an already over laden world of smart phones, smart meters, smart cars, The development of computers, laptops, tablets and all-in-ones is now confined to history, So what maybe next? Well, how about anthropomorphic robotics!

Industry at large have used robotics on production lines for years and several million are currently in everyday use, but Elon Musk is developing what he believes will become a world beater in humanoid development.

Pleasingly, he is far behind a local Cornish company based in Falmouth who have produced a very credible and functional humanoid robot, designed by Engineered Arts and is considered by many to be the world's most advanced robot.

However, as robots can be programmed to do many things and with the advent of AI's ChatGPT can simulate any voice. Walking is the most difficult and has yet to be mastered, as the Russian attempt at anthropomorphic robot with artificial intelligence, and to their embarrassment, fell down after a couple of paces. So, robots are not quite ready to go on the march, but it's only a matter of time.

Seemingly prices currently discussed are between £10K and £15K but it is likely to be at least 5 years before a satisfactory walking robot is available to buy - so start saving!

However, Elon Musk believes in 20 years it will be possible to fully clone a human being and transpose that onto a robot. Now that is scary, image hundreds cloned Elon Musk robots, or Boris Johnson replacements or even worse, a whole government repeating error after error. In the words of the song "send in the clowns", or will it be robots!

In a move to make robots to look more human, a Chinese company "AheadForm" is trying to make heads that appear to have skin, lips and hair using a synthetic skin with a natural feel and look.

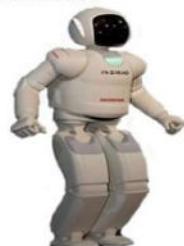

Honda's Asimo made its debut in 2000, But it was ditched three years ago (that too fell over) as the company is focusing on human-like robotics.

So, if anyone is worried robots will take over the world, don't be, trip them up and they will fall over! We all have weaknesses.
