ST MARY'S CHURCH, WEEK ST MARY

On behalf of The Friends of WSM Church and Graveyard a huge
thankyou to Nick Couch, John Libby, Steven and Michael Fry and
other volunteers who have cut the grass at the churchyard this year.
This takes a lot of work, time and effort and we are sure that it is
appreciated by those who use the Church and Churchyard.

Many thanks

The Friends of Week St Mary Church and Graveyard

Harvest Festival

Our village Harvest Festival Service was held on Monday 21st
September with the Harvest Queen and Attendants present. We had a
short service at the Church this year, as we alternate the venue
annually. This was followed by a lovely Harvest supper and dessert.
Thank you to all who attended and to those who brought food and cash
donations for the Bude Food Bank. We delivered 6 huge bags of food
on Thursday along with £139 in cash.

Thank you again.

Lesley Booker

Jeanne Powell

Thankyou to all who attended Jeanne's funeral on 29 September .
Thankyou also to all those who helped in any way to make our family
welcome and to provide such a lovely lunch in the church. Mum loved
her last twenty years in Week St Mary and would have very much
appreciated the occasion that you all helped to create.

With love and gratitude

Lesley Booker

COMMUNITY MONEY ADVICE LAUNCESTON

During 2025 the Cornwall PEOPLE IN MIND outreach project has enabled Community Money Advice Launceston to visit and meet local residents of some of the most rural villages and hamlets within North East Cornwall, including Week St Mary. This has enabled our team to become engaged with some of the least advantaged locally. The elderly especially, including those who may be experiencing difficulties within their finances, particularly with their utilities, local taxes and benefit structure.

The FREE services which CMAL offer in these areas has been particularly welcome among those who find it so difficult to keep abreast with the newer methods in technology. With nationally 1 in 7 people being unable to communicate effectively with the internet/email/online banking system, it is little wonder why our team is fully stretched to help. We have a policy of helping every genuine request for help. One of the main lessons we have learnt from our visits is that many local people were unaware of us, or the areas in which we can help, and especially the direct contact we have with some agencies, like SouthWest Water or Cornwall Council about council tax problem

The major areas of immediate concern to many of our clients currently are:

PENSION CREDIT WINTER FUEL PAYMENT BLUE BADGES PIP renewal

If you are worried or feel the forms to fill are too complicated. DO NOT WAIT.

If you feel you would like to contact outside our visit dates, then make an initial contact by phone on 01566 777407 or 07762 092 830 and leave a message on our answerphone if our office is closed. For those who prefer email then our contact is office@launcestonmoney.co.uk. In the last year more than 800 residents in North Cornwall have had our help. Many in Week St Mary and the surrounding hamlets.

Your Parish Church NEEDS YOU

For nearly four centuries, our Grade I listed church tower has stood as a proud landmark, rising 100 feet above the landscape and watching over our community since 1643. Its history is woven into the story of this place — a symbol of heritage, faith, and continuity.

Today, however, this remarkable structure has been placed on the Heritage at Risk Register. Time and weather have taken their toll, and without urgent action the tower's future is uncertain.

A full renovation is now required to preserve and protect it for future generations. The work is extensive, with an estimated cost of £400,000.

We are asking for your help. Every donation, large or small, will bring us closer to restoring this historic tower and ensuring it continues to stand tall for centuries to come. If this landmark means something to you, please consider supporting the restoration fund. Together, we can safeguard this piece of history and keep our tower standing proudly over the community once again.

Fake "WhatsApp Gold"

A message from Devon and Cornwall Police.

Messages promoting a supposed premium service called "WhatsApp Gold" are circulating once more.

WhatsApp Gold is a scam. There is no official "WhatsApp Gold" version offered by WhatsApp or its parent company Meta.

How to Spot a Fake WhatsApp Gold Message

- Claims you have been selected for an exclusive, VIP, premium or celebrity version of WhatsApp.
- Promises special features not available in the official app.
- Contains a link to download software from a website rather than the Google Play Store or Apple App Store.
- Creates urgency, i.e.: "Download now before it is withdrawn" or "Invitation only".
- Contains poor spelling, unusual words, or asks you to pass the message to others.
- Mentions a so-called "Martinelli" video, a long-running hoax often associated with WhatsApp Gold messages.

What To Do

- ✗ Do not click any links.
- ✗ Do not download anything.
- ✗ Do not forward the message.

- ✓ Delete the message.

Block and report the sender using WhatsApp's reporting feature.

- ✓ Warn friends or family members who may also have received it.

Stay Safe

- ✓ Only download WhatsApp from the Google Play Store, Apple App Store, or the official WhatsApp website.
- ✓ Never click links promoting WhatsApp Gold, WhatsApp Plus, or other unofficial versions.
- ✓ Never share passwords, PINs, banking details, or verification codes.
- ✓ Enable **Two-Step Verification** within WhatsApp settings.
- ✓ Report and block suspicious senders.

Remember: If an offer sounds exclusive, secret, or too good to be true, it probably is.

Week St Mary Revel

Thank you to everyone who braved the drizzle to enjoy Week St Mary Revel on 19th September - you have made all the preparation work worthwhile and a considerable sum was raised to support the Church, the Chapel and the Parish Hall. Thank you again

These events do not simply happen of course and a great deal of effort has been made over the last few months to ensure that the event was fun, traditional and safe for everyone.

I will try to thank below all those who took particular responsibility and hope that they will pass those thanks on to anyone who helped them as well.

Firstly, to Alan Colwill and the Outside Inn staff who provided the tents, the bar, the Football Pool and many of the chairs and tables plus transport to and from the site. He also organised a great Quiz night on Friday night with the bar and food from Lyla Rose Food Van. We cannot thank him enough because without this input we would have a very much smaller event. He made significant donations from all of these activities, allowed us to raise raffle funds at one of his concerts and organised a very successful Car Treasure Hunt on 13th September.

To Sharon Barriball who contributed a collection made at her birthday party plus a large box of Lucky Dip sweets.

To Angela O'Connor for the lovely Dog Show, Sue and Rob Isherwood for the Bottle Stall, Marilyn Reynolds and Victoria Sowerby for the cake stall, Jane Libby for Water or Wine, Celia Martyn for the Toy tombola and Linda Cobbledick for the Treasure Hunt (won by Michael Davies). Jeannette Turner held a very successful Raffle and Neil Humpage ran the Hooplah (which he also made). Tricia Kabler wrangled the Fancy Dress which was judged by the retiring Harvest Queen Lily Sharland.

Barrel Border Morris led the procession, greeted the Harvest Queen at the Church and danced till they were soaked on the field. Thank you.

Many, many thanks to all those who organised the lovely tea - particularly Trina Ward, Carol Slade, Neville Padgham and Margaret Johns" also Jenny Rae who manned the front desk and Declan for

Then of course we come to the people on whom this event is centred - the Harvest Queen, Maddie Johns, her attendants, Lowenna Shipton, Eva Shipton and Odin Fry. Thank you to you and all the family and friends who contributed to your lovely costumes and pretty transport. We do hope you enjoyed it all including the three church and chapel services that you attended over the weekend.

Thank you to Lorraine Sachs of Hillside Bakery who made the beautiful Harvest loaves which have graced the church throughout Revel and Harvest, your skill and time are very much appreciated. Then in the Evening on Revel Saturday Alan again came up trumps and ran a great evening of music and dance with Joy Machine with Tom Wickett providing a barbecue in the evening.

Ruminations from the Rectory

The Great Fire and The Little Water

Among the Aztec people of Mexico, it is said that a long time ago there was a great fire in the forests that covered our Earth. People and animals started to run, trying to escape from the fire. Our brother owl, Tecolotl, was running away also when he noticed a small bird hurrying back and forth between the nearest river and the fire. He headed towards this small bird. He noticed that it was our brother the Quetzal bird, running to the river, picking up small drops of water in his beak, then returning to the fire to throw that tiny bit of water on the flame.

Owl approached Quetzal bird and yelled at him: "What are you doing brother? Are you stupid? You are not going to achieve anything by doing this. What are you trying to do? You must run for your life!"

Quetzal bird stopped for a moment and looked at owl, and then answered: "I am doing the best I can with what I have."

It is remembered by our Grandparents that a long time ago the forests that covered our Earth were saved from a great fire by a small Quetzal bird, an owl, and many other animals and people who got together to put out the fire.

Isn't this how life should be, using what we've got, no matter how small, to help others? The Bible says, **Do not be interested only in your own life, but in the lives of others. Philippians chapter 2: verse 4.** It's what the Quetzal bird did, the owl did, and many other creatures did. Why not you?

Week St Mary Bonaventure's WI

Lucy Burrow visited in September and gave a very interesting talk exploring the ancient, global tradition of wheat weaving and corn dollies; harvest figures made across countries like Japan, Poland and Nordic nations with deep historical and ritualistic significance.

Historically, primitive farmers believed the spirit of the corn lived in the field, retreating into the final sheaf, which was cut, bound, and preserved to be ceremonially returned on Plough Monday.

In regions like Cornwall these traditions survive through harvest rituals in community festivals.

Corn dollies symbolize fertility, protection, and love, with youth traditionally crafting "sweetheart favours" from straw for partners.

As farming mechanized in the 1950s, machine harvesting threatened the craft, prompting 2 members of the Women's Institute, Lettice Sandford and Philla Davis, to collect and preserve traditional designs.

Lucy details the materials used such as wheat, rye, and oats, explaining how straw must be harvested golden, cut above the knot, and properly dried.

She concluded by showcasing her own intricate creations, including harvest crowns and bride-and-groom figures, highlighting the enduring beauty of this historic folk art. Thank you Lucy for a very interesting talk, you are very clever!

Our next meeting is at 7.30pm on 8th October 2026 in the Parish Hall when we will welcome speakers from Dunstaple Farm to share all things about Farmer Toms Ice Cream along with lots of samples. This is an "open meeting" and all are welcome. Guest fee £5 including refreshments.
