Week St Mary Bonaventures WI

Thursday September 7th, will see the return of the WI monthly meetings. The speaker this month will be Katrina Werren a Medical Herbalist from the Green Physic Herbal Medicine Clinic.

There are a number of new residents in the village, ladies you will receive a warm welcome to our meetings. There is an opportunity to meet with others from the village, who have a wealth of knowledge about your new locality. Our meetings are always fun.

We welcome visitors, you will be surprised about how much WI has changed, if you like to be involved in making a difference to the environment etc the WI is involved in a number of campaigns.

The meeting will take place in the Methodist School Room 7:15pm for 7:30pm.

Our WI still has an interest in food and our July meeting was a social. A BBQ was planned but like many plans it had to be changed due to the weather. The entertainment group worked hard to produce a delicious supper, followed by an amazing array of desserts. Linda Cobbledick kindly hosted the event in her house. Our thanks go to everyone involved for providing an enjoyable evening.

A reminder about the Great Village Cake and Preserve Competition on Wednesday 13th September. Details are to be found in this Magazine.

If you would like any further details please give me a call on 07788-548875.

Chocolate Chip Muffin

Ingredients

9 oz / 255g Plain Flour
3 teaspoons / 15ml Baking Powder
½ teaspoon / 2.5ml Salt
3 - 4 ozs / 85-110g White Caster Sugar
1 Egg
8 fl ozs / 240ml Milk
3fl ozs / 50ml Vegetable Oil
3 ozs / 85g Chocolate Chips or Chunks [Milk or Plain]
Add 1 teaspoon / 5ml Vanilla Essence flavouring to wet the ingredients

Method

- 1 Prepare muffin tins with muffin cases. Preheat oven to 375-400 deg F / 190-200 deg C / Gas mark 5-6.
- 2 In a large bowl, sift together, flour, baking powder, salt and sugar.
- 3 In a separate bowl, beat egg with a fork, stir in the milk, followed by the oil.
- 4 Pour all of liquid ingredients into the dry mixture. Stir just until combined, scraping sides and bottom of the bowl as you stir. Add chocolate chips and mix for about 30 seconds. The batter will be lumpy but no dry flour should be visible. Do not over-stir.
- 5 Fill muffin cases, three quarters full. Bake for 20-25 minutes, until tops are lightly browned and spring back when pressed gently. Allow muffins to cool for several minutes to make removal easier.

ADVENTURE CHURCH ZOO VISIT

Adventure Church starts its new term on 12th September with a visit from Mark's Ark with Mark's animal show. Everyone is welcome whether a member or not (Non members (£3 per child please). Expect the show to include reptiles, snakes, insects, birds and possibly a skunk.....

Mark shows us his animals and talks about conservation. Do come and join us. Drinks and biscuits available but please prepare to eat a meal at home this week.

Starts at 4.30 so come early if you can. 01288-341221

Dear All,

If you or any of your contacts are involved in running a small business, a charity or a local community group, and you are concerned about the security of your IT systems or web-site, can I take a moment of your time to point you towards the South West's Cyber Resilience Centre. Please see here - [South West Cyber Resilience Centre SWCRC](#)

Supt Mark Moore who is from Devon and Cornwall Police, heads up the South West's CRC. They are a not for profit organisation, funded by the Home Office and regional policing. They exist to help South-West based small to medium sized businesses, charities, voluntary groups and public sector organisations, with their Cyber Security.

Cyber Security can feel complicated, expensive, and unmanageable. It can be hard to know where to start, or how to improve resilience.

Professional Cyber Security support is often costly and for many SME's, sole traders, local charities and voluntary groups, obtaining such assistance can be well beyond their financial means.

These regional CRC's have been set up by Government to help groups and organisations who find themselves in just this position.

**Much of what is on offer to you from the
CRC is absolutely free.**

I would highly recommend you sign up with them.

Should you wish to sign up you can do so here - [Membership | Cyber Resilience Centre for the South West \(swcrc.co.uk\)](#)

I hope you find this information useful.

By all means please come back to me if you have any questions concerning this message.

Lastly, please consider sharing this email amongst your colleagues, SME's, charities and voluntary groups in your local areas.

Thank you for taking the time to read this message.

Regards

Mick HARRISON

Church Transition News

Thank you to St Marwenne's for hosting the farewell service and lunch for Rev David, it was a very enjoyable occasion.

Although we are sad to see David go, we have known that this was going to happen for some time and we have been very busy preparing our Parish and Benefice Profiles along with a job and person specification with a view to advertising for a new Vicar in October.

Interviews should be held in early December.

Safari thanks

Many thanks to everyone who took part in the organisation and running of the Safari Supper at Week St Mary on 6th August. Particular thanks go to Sandy and Martin Smith for the reception, Ellen and Carl Morrison, Pam and Abi for the starter, Linda and Bob Burchett for the main course, Caroline and Barry Haines and family for the sweet and Rob and Sue Dickenson for the coffee and cheese. Also to the many people who helped the hosts before during and after the event. We were so lucky that the weather forecast proved to be accurate and that apart from being a bit chilly, we had a fine evening and were even able to clear dry tents away the very next day. The hard work proved to be well worth while and will help the church to pay its way once again this year. thank you

Week St Mary Community Shop Calling all handymen or women

The outside of our community shop needs re-decorating and there is a small amount of work needed inside the shop. September or October would be an ideal time to carry out the work. Kenny Bromell has kindly offered to donate the needed materials. If you can volunteer to help, please call me (341689) or email michsmith007@yahoo.com so that I can arrange working parties for the weekends in the autumn.

Week St Mary Church Lunch Club

Lunch club has been meeting regularly for four months now and is proving to be as popular as ever with over 20 people attending each time. The next lunch will be 20th September in WSM Church so please book with Lesley on 01288-341221 as soon as you know you can come. We really only have room for 25ish so the earlier you book the better!

The Paths In Life's Garden

As we pass on our journey
Through the Garden of Life,
How varied the paths that we'll tread,
Some will bring joy, some will bring peace,
But some we are certain to dread.
Sorrow and grief are two such paths
And all will take them some day,
But despite all our fears if we smile through our tears
Life's Flowers will brighten our way.
For many there be in the Garden of Life
Whose fragrance breathes comfort and love,
For Sympathy blooms in the darkest of paths
And Friendship smiles down from above,
For there is not a path in the Garden of Life,
Which the Gardener Himself has not trod,
For His are the flowers which illumine the way
Reflecting the Glory of God.

The Countrymen

It is with great regret that due to illness The Countrymen
have had to cancel all events, which means our scheduled
event on September 29th in Church has been cancelled.

Another date will be arranged ASAP.

We all wish Stephen Gilbert a quick return to health and
back in full voice.

We look forward to hosting The Countrymen as
soon as possible.

Careless Browsing will cost more than you think!

I was recently asked to resolve an issue where a customer's bank account had restricted access placed on it as the Bank's security system detected a potential threat of an intrusion from the customer's computer.

Now this is not the first time this issue has been raised, but invariably it comes from corporate accounts and not related to personal accounts, until now!

Bankers are on edge, not only from the massive number of viral attacks, money laundering and recent bad publicity, but from the added threat of Artificial Intelligence, it should be renamed 'Advanced Intelligence'. Because this technology will outpace the smartest of programmers and will have us all controlled in one way or another very soon if not controlled.

Having cleaned the customer's system of infected files I could report to the bank a deep clean had been conducted and infected files found had been destroyed. On this occasion, the customer has Avast Premium installed, yet I located 106 infected files, which I quarantined and destroyed (therefore need to question the validity of Avast).

I am constantly asked how infections like this happen and there can only be one answer and it's 'Careless Browsing' and poor-quality anti-virus software.

Please remember, just because you are paying a premium price for anti-virus protection, you may not get a premium service!

Scammers have now incorporated AI into their telephone scams and can clone any voice to make the scam more credible. It also has an intelligence to respond to questions and give logical answers. If you find yourself caught up in a telephone conversation that you've not requested and the voice on the line sounds genuine and honest, stop the call by asking them to send to you an email with their business address and all the details they have given you, if they persist or will not send you the details, THEN IT'S A SCAM!

Do not let it panic you into thinking you've had your bank account compromised or threatened with a scam attack. You are 100% more likely to lose everything by following its suggestions, than you would by ignoring it completely.

Local Lay Leaders

Over the past few years Sue Dickenson and Lesley Booker have been undergoing training as Local Lay Leaders by studying the Foundations in Christian Ministry Course and most recently Sens Kernewek (Cornish Saints) Leadership training and they will both be licensed to Week St Mary Parish at Bodmin on 1st October. This is part of Diocesan policy to provide local leadership in all parishes where possible and as Local Lay Leaders we will work under the direction and guidance of the new Oversight Minister to help to sustain the life, mission and ministry of our church in Week St Mary.

This is a different and additional role to that of Local Worship Leader which we, along with Linda Cobbledick and Micheline Smith, have been doing for some years. We hope that we will be able to continue in the work we have been doing to increase outreach to the local community and also with the help of our new minister to sustain and encourage spiritual growth.

We ask for your continued prayers and support as we journey with you into a bright and optimistic future.
