Magazine Distribution

Week St Mary Magazine is produced and distributed by an army of volunteers every month. One of the regular jobs that needs doing is stapling the printed pages together, folding and then counting the magazines into bags for each round and taking them to the people who will deliver them to every house in the parish. Michael and Shelley Collman have done this important job for some years and would now like to take a break, so if there is anyone who would be able to take over (there are offers of occasional help to cover holidays etc) the Magazine Team would be very glad to hear from you.

Please contact Lesley on 01288 341221 or Dick on 01288 341348

REVEL TEA REQUEST

Revel Tea is helped enormously by donations from everyone in the village. There will be food lists in the village shop or online to pledge your gift before to help with catering requirements.

Any donations towards the tea, will be gratefully received and can be brought to the Tea Tent on the playing field from 10am on Revel Saturday morning. If you have any queries regarding the food for the tea please contact Trina Tel: 01288 341317

Thank you

Bishop Davids Visit to Week St Mary

Claire's Himalayan Trek fund

I live in the village and as some of you already know in November I will be heading to the foothills of the Himalayas in India. Taking part in a trek to raise money for Childrens Hospice SW. If you would like to donate see below. More info on my justgiving page on QR code.

£25 could ensure that no call to our hospices goes unanswered, day or night, for a parent needing emergency support, answers to questions or simply a listening ear

£1,000 could help fund a Christmas stay at one of our hospices

£120 could pay for 1 day of sibling support for a bereaved brother or sister

New UK laws aimed at protecting children online

Regulating harmful content online came into effect on July 25, 2025. These laws, part of the Online Safety Act, require online platforms to implement measures to prevent children from accessing harmful content, including pornography, self-harm material, and other age-inappropriate content. Key aspects are:

Child Protection:

"Highly effective age assurance" must be applied.

Harmful Content Regulation:

Harmful content, i.e. self-harm, suicide and eating disorders must be monitored.

Transparency and Control:

Greater transparency on content to give users more control over what they see.

Enforcement:

Greater enforcement powers given to Ofcom to regulate content.

Age Verification:

Pornography sites must use robust age verification apps.

Parents and Children:

Parents to have more tools to protect children online.

Adult Users:

Adult users to have more control over available content.

Potential for Blocked Content:

Some websites may be blocked for UK users.

Evolving Technology:

The effectiveness of age verification tools to be monitored. However, the use of VPNs can bypass age verification measures as logging into foreign websites and the dark web is relatively easy. Many websites have little care on who views its content only that it brings in advertising revenue.

Some of these regulations may also breach personal data privacy laws and may not be applied as they can breach the data protection act! (that law may need to be changed).

The new laws mean well, but the law of unintentional consequences is apparent.

Talk about locking the stable door after the horse has bolted, the government is so far behind the curve, many of these laws will have no effect on tech savvy kids!! The new laws also affect what you may write on social media any breach of these laws can result in a criminal prosecution, be very careful, voicing a simple opinion can be life changing and you won't just be waving goodbye to freedom of speech.

Safari Supper

On 9th August Week St Mary's annual Safari Supper was held as usual and the crowds of guests were able to travel from course to course in lovely weather.

Judith Taylor and Derek Orchard hosted the reception drinks which included a very popular punch and nibbles, Wendy and Nick Couch provided a range of delicious starters and the church was the venue for both hot and cold main courses with salads. Wendy Watts hosted the dessert where a huge number of puddings made by very generous parishioners and guests were enjoyed in the garden.

Finally, we all arrived at the Rectory where Rev David and Dianne Saunders made coffee and tempted guests to unlimited cheese and biscuits.

We are very grateful to all the people who helped the hosts at each venue and to everyone who gave dishes to help with the catering. Many thanks also to those who came and enjoyed the event which raised approximately £1400 for church funds that will be used for general expenses and will hopefully contribute to the Tower Restoration Project.

Community Money Advice Launceston

You may not have heard much about us – [Community Money Advice Launceston](mailto:office@launcestonmoney.co.uk) that is, but we have been around since 2012 helping any local residents with their very personal problems – debts, benefit problems and budgeting. Thanks to the award of some new funding, we can now visit the village on a regular basis, to hold individual confidential interviews with those who may be experiencing difficulties. Our experienced and fully trained team of volunteers provide this free service, and we aim to reach those residents who may find it awkward to visit us, through poor public transport. Many of our clients have problems dealing with complicated 'forms' related to benefits, or in contacting utility providers. Some, particularly our older clients have poor or no IT (computer) skills that are now essential when in touch with government departments. Please watch your local notice boards for details of when we shall be around, or you can contact us direct to arrange an appointment at any time on 01566 777407, by email – office@launcestonmoney.co.uk or on our mobile 07762 092830. We know there are many local people who would like some help. CMAL has already helped over 800 North Cornwall residents, so we shall be pleased to hear from you, and help others.

WEEK WANDER

So that we know how much cake to bake, it would be helpful if walkers could **PRE-REGISTER** either by:

EMAIL:
sandy.millstone@gmail.com

TEXT:
07495908732

ADDITIONAL INFORMATION

The **ONE MILE** route will be marshalled to ensure the safety of all participants and all children under 12 need to be accompanied by an adult. There will be an adapted route for dog walkers.

AND LADIES.....please have a rifle through your undies drawer as on the day we will be accepting **BRA DONATIONS** which will be sent to Africa via 'Smalls For All'.

Payments on the day in **CASH**

Minimum sponsorships apply:
Adults **£5** and Children (under 16) **£1**

We would really appreciate any extra sponsorship or donations above and beyond the suggested minimum. Please ask your family and friends to sponsor you so that we can smash our target of **£1,000!**

Sponsor forms will be available from the Community Shop.

ALL FUNDS WILL BE DONATED TO

Following Sandy & Martin's successful **MOONWALK MARATHON** last year, Sandy gave a talk to the Bonaventures WI about her experience. From that talk, it was evident that many people would like to do a charity walk but don't feel able to tackle a marathon. And so the idea for the first 'WEEK WANDER' was born - a fun community charity walk, organised by the WI, for the community.

Formed in 1996, Walk the Walk is now one of the most successful grant-making breast cancer charities in the UK raising, to date, in excess of £140 million. It's work is dedicated to raising money and awareness for vital breast cancer causes both nationally and locally.

As well as fundraising for this amazing charity, this fun walk will hopefully encourage **EVERYONE** - young or old - to improve their individual fitness, whether that means walking 200 yards or a mile, which is fundamental to improved overall health.

Poor Mans Piece, Week St Mary.

This ancient medieval Strip Fields (one of the last remaining) was gifted to Week St Mary in 1710 by John Clark. It is a quillet of land, just under half an acre it was conveyed in trust for the "poor, decayed, lame, impotent and decrepid" (this is the old spelling in the will) of the parish.

Any small amount of money raised was shared among the above of the parish.

It has taken much work and change of use with the Charity Commission to rewrite the wording to allow Public Access.

We thank, Josh Fry, the Snellgrove Family, David and Jean Martin and Paul Sachs for their donations of time and gifts of seats. There are bird, bee, bat and hedgehog boxes and at the bottom a wetland area. There will be a mown path for people to walk around and the rest will remain wild with an annual scythe cut.

To get this off the ground we set up crowdfunding as we need to buy annual Insurance and maintain the site for all to enjoy. We are allowing dogs to this ancient site on leads.

If anyone wishes to donate to this ancient site please email. lincob@gmail.com

Communication Policy

This will be placed on the September to reach a resolution about the Facebook page and associated papers.

- 10 Government Planning Consultation and Working Papers
Correspondence from Cornwall Council was noted.
- 11 EDI statement
This will be deferred to the September meeting.
- 12 Goscott trees
In a submitted report, Cllr Fay said she had reported the trees and these are scheduled for trimming.
- 13 Assets of Community Value
Councillors discussed the Community Right to Bid information but resolved to not go forward with this at the moment.
- 14 Local Maintenance Partnership
This was noted by councillors.
- 15 Playing field safety sheets
The clerk will ask Cllr Couch for the new sheets.
- 16 Village equipment
Cllr Willoughby questioned the need for the parish council to keep the mower that was purchased. It was noted that the mower was purchased for the top and lower field. Cllr Willoughby queried the tender process and said the applicants were asked to quote including using the council mower. Cllr Johns said this was incorrect and the applicant said he was happy to use the council mower. Cllr May said if the applicant is unhappy, to come to the council to discuss.
- 17 Bude Park and Ride
Correspondence about the new scheme was noted.
- 18 Back Lane, Lambley Corner and parish maintenance
Councillors were told that Harley Friend is no longer to work on Back Lane, Lambley Corner or carry out maintenance. Councillors resolved to ask Jamie Sachs if he would be willing to add this to his schedule. The clerk will double check with the council's insurance provider about cover for ad hoc maintenance.
- 19 Resignation
Councillors noted the resignation of Cllr Louise Stephens. The clerk will email Louise to thank her for all of her time over the years. The vacancy will be advertised.
- 20 Community Shop
Correspondence from Week St Mary Community Shop was noted. A public meeting will be held at the Parish Hall on September 25.
- 21 Dogs on Beaches consultation

Before the agenda items were discussed, Cllr Slade reminded everyone that proposals have to be proposed, seconded and resolved in order for the resolution to happen.

12. Agenda items

1 Footpath project

Cllr Slade said the footpath project was started several years ago, and it would be good to pick it up again. This would extend the path past the tennis courts and to the lower area. The path, in its current form, is not legally wide enough. Cllr Richardson said it was originally looked into for a mobility/access issue. This will be placed on the September agenda.

Ashbury Grove

Councillors received three solicitor quotes for the transfer of land at Ashbury Grove. Councillors resolved to go with Parnalls.

2 Football club lease

The football club lease is in hand with the solicitor. The clerk will report back at a future meeting.

3 Play park slide steps

Cllr Slade asked the playing field working group to look at two providers. She suggested a piece going in the magazine to ask people if they would like a smaller slide. Cllr Willoughby the equipment isn't great for kids under four. The clerk will put a piece in the magazine to invite comments.

4 Grant for playing field

Cllr Willoughby will look into what grants are available for public areas.

5 Treetops

An email was received from Cornwall Council saying it had to be reported to the Health and Safety Executive. Councillors listed a number of concerns that the clerk will pass on.

6 Civility and Respect Roles and Responsibilities Policy

This will be deferred until the September meeting.

7 Tech clinic

Cllr Richardson said he was sceptical about the project and would not want to see it come under the parish council umbrella (GDPR, data privacy, equipment). Cllr Willoughby said the parish council could help initiate the community practice. Cllr Slade said she had spoken with CALC and it would not come under the umbrella of what a parish council does, but such a project would require DBS checks, insurance and risk assessments. The clerk will ask Cllr Fay to look further into it and report back to the council.

Playing field booking guide and form

Councillors voted to adopt the booking form for playing field events.

4 ROCK CAKES

Ingredients

225g/8oz self-raising flour
75g/2½oz caster sugar
1 tsp baking powder
125g/4½oz butter, cut into cubes
150g/5½oz dried fruit (raisins, sultanas or currants)
1 egg
1 tbsp milk

Method

Preheat the oven to 180C/160C Fan/Gas 4
Mix the flour, sugar and baking powder in a bowl and rub in the cubed butter until the mixture looks like breadcrumbs, then mix in the dried fruit.
In a clean bowl, beat the egg and milk together
Add the egg mixture to the dry ingredients and stir with a spoon until the mixture just comes together as a thick, lumpy dough. Add a teaspoon more milk if you need it to make the mixture stick together.
Place spoonfuls of the mixture onto the prepared baking tray. Leave space between them as they will flatten and spread out to double their size during baking.
Bake for 15–20 minutes, until golden-brown. Allow to cool for a couple of minutes, then turn them out onto a wire rack to cool.
