

Week St. Mary Parish Council

Minutes for the Ordinary Meeting
Thursday 15th March 2018

All meetings are open to the press and public unless the Council decides otherwise

1. To Note Councillors Present

Cllr Ward opened the meeting at 19.30 and welcomed one member of the public, with seven Councillors present – Cllrs Smith, Pearce, Harris, May, Johns, Slade and Cluney. CCllr Chopak. Kate Denton, Clerk.

2. To Receive Apologies for Absence with Reasons

Apologies were received from:
Cllr Colwill - Business

3. To Receive Declarations of Interest & Approve Dispensations

None

4. Public Question Time (15 minutes allowed for this)

Due to a cut in the funding received from Bude PO to run the Post Office within the village shop, there is a shortfall of some £750 in funding for 2018/19 and the Parish Council was asked whether it could make good this amount to preserve the service. After discussion, and taking into account the importance of the service to the village, this was agreed in principle and the PC will look into the best way to fund this. Further discussions will take place at the meeting in April.

4a. To receive County Councillor's Report on Matters Arising

- Council tax bills had now been issued for the next year and a change in Business Rates meaning that they are now retained by Cornwall Council should help to keep future Council Tax increases down.
- Plastic waste is being left on verges and highways. CCllr Chopak is raising the idea of a parish-wide litter pick. Week St Mary does not generally have this problem.
- There is a change to Adult Social Care service funding which will be jointly between NHS Cornwall and Cornwall Council. This will necessitate the use of a tendering service for contracts which has caused some concern over whether this will produce the best service rather than just the cheapest option.
- The new Poundstock Division has been confirmed and has increased in size to 5122 which is an increase of some 1800 people.
- The change to refuse collections is due to commence in April 2019 although it may be rolled out earlier in some areas.
