

TESCO Bags of Help

Bags of Help is the community grant scheme funded by the 5p government plastic bag levy. The levy helped to reduce the use of single use plastic bags by over 80% since it was introduced.

The grant criteria changed in February 2017 and it is now open to any not-for-profit organisation to apply for **ANY** activity that will be of community benefit.

The scheme is open for:

Physical improvements to facilities, outdoor or indoor, programmes of activity for any age group, community events, equipment, sports coaching, volunteer training, arts, sport, wildlife conservation, play, recreation, publications, clubhouse improvement, social, health and welfare schemes and many, many more.

The application process is all online at:

www.groundwork.org.uk/Sites/tescocommunityscheme

Help and advice with all aspects of the scheme is available from your nearest Groundwork South Community Enabler - janice.phillips@groundwork.org.uk. Tel. 07710 392071

or from the Community Champion in your nearest Tesco large store.

Customer voting in stores is now 6 times a year with awards of £1000, £2000 and £4000 in all regions.
