**WEEK ST MARY COMMUNITY SHOP LIMITED
("the Society")**

Elsewhere in this month's Magazine, you will find the formal notice of annual meetings of Week St Mary Community Shop Limited. These will take place on 29th June 2023 in the Parish Hall, commencing at 7:30pm.

The Society is regulated by the Financial Conduct Authority so the format for these meetings has to comply with legal requirements and looks very formal.

Please don't let this deter you from attending as this is an opportunity to hear how the shop and Post Office is faring and about how we are stepping up marketing activities to raise the shop's profile to help ensure its long-term future.

A few actions are required prior to the meetings:

1. Any member who wishes to put themselves forward for the Management Committee (there can be up to 12 members) should let Lesley Booker know by 23rd June 2023.
2. Any member who wishes to have an item raised under "any other business" should provide details (in writing) to Lesley Booker by 23rd June 2023.
3. Anyone who is not yet a member but would like to be, so they can attend the meetings should contact Stephen Smith by 23rd June 2023 so that a purchase of shares can be arranged (minimum share purchase £10)

We look forward to seeing as many members as possible from our 100 plus shareholders at the meetings.

Week St Mary Bonaventures WI Meeting Thursday 11th May, 2023

Our meeting started this month with a discussion on the Resolution, being put to members at the Annual Meeting of the National Federation Of Women's Institutes. Every year there is a resolution, which if accepted, will be a campaign supported by WI's throughout the country.

The heading for this year's Resolution is Clean Rivers for People and Wildlife.

Sue Dickenson presented the resolution in full, then included further details of how the WI could become involved in our local Area.

A lively discussion took place, with members concerned, about how improving parts of rivers for bathing would support wildlife. Others were concerned about the safety aspect of river bathing, especially for children.

Our members voted unanimously to allow our delegate from Jacobstow to vote on our behalf, as she will hear from experts, from both sides of the argument when attending the conference.

The second part of our meeting was Pudding Tasting.

A variety of puddings were available for tasting and recipes were available, for members to take away.

Coronation Weekend

While everyone celebrated the Kings Coronation in our village at the Saturday and Sunday events, we, as a Church decided to hold Community Cream Teas on the Monday which was nationally known as "Give a Little Help" 6 wonderful ladies worked all afternoon serving scones, jam and cream and lots of cups of tea. All the scones were homemade and the jam was also donated for which we are very grateful.

We decided after paying for the cream and milk that any excess money go to the Revel Fund to help towards expenses.

We are extremely delighted to say this amounted to **£200** .
Thank you everyone,
The Churchwardens.

Safari Supper 5th August 2023

Hoorah!! We have decided that we can at last return to Safari Supper!
If you are "new" to the village – moved in within the last three years –
you will not have experienced our Safari Supper (unless you moved here
because of it...).

This amazing evening takes us all around the village for a five course
meal with sherry, wine and food all included in the ticket. Good company
awaits at every stop and of course you can bring company with you to
enjoy the evening too.

The event is in the early stages of planning and I am looking for homes to
volunteer to host each of the courses which are: Reception (Sherry or
fruit juice and light nibbles), Starter (usually a choice of three dishes),
Main course (Cold meats and salads – sometimes hosts have also
provided a hot dish), Sweet (wide choice of puddings usually donated by
sweet enthusiasts), Coffee and cheese.

We have had up to 120 people on Safari which sounds daunting, but we
have staggered starts at 6:30, 7:00 and 7:30 and it usually flows quite
easily, some apparently small homes have hosted in the past with the use
of gardens and tents etc.

This new start Safari will be capped strictly at 100 guests and we have
sources of necessities like crockery, cutlery, tables etc. All hosts are
encouraged to claim expenses and any profit goes to church funds. If you
would like to chat about the event or offer to help at any of the courses,
please give me a ring 01288-341221/07967-684823. We have a large
team of experienced Safari Hosts who will be very willing to advise you!!
Full details in the July Magazine.

Computer issues that can affect you now!

Recent Windows updates have caused some problems with some systems, I say this in this vaguest of terms as there is no consistency in these errors, only that the 'Blue Screen of Death' is displayed as each system tries to recover. If this happens to you, make a note of the error code displayed on the screen and let me know what it is. It could be a conflict with an application or invading virus, or 'adware'. I may be able to help resolve it before you run a reset

You may also need to run the recovery program and take the system back to a previous image, but don't be confused with a system reset. A system reset will reinstall windows, but also wipe out all 3rd party programs, which you would be forced to reinstall once the reset has completed.

WhatsApp has issued several warnings of late and these should not be ignored as hackers are sending out requests to access your phone using a 6-digit code. If you allow them access to your phone, the thieves will not only block you out of your own account, they will systematically attack all your contacts, steal yours and their data, then try to rob whatever they can from both you and them!

A few weeks ago, Google declared they had been hacked and over 50 million customer accounts had been stolen or compromised. Those using Google Pay should have been notified with details of what has happened. If you are a Google Pay user and have not changed your password recently, change them now!

Have you thought how easy it is to record your voice? Voice chat is very much a thing of our time and people use TikTok, YouTube, Facebook and other platforms to tell the world about themselves, their products or their ideas, and that's great! But consider this. How easy is it for a thief to clone your voice!

Microsoft has created an AI tool called VALL-E. It can clone a person's voice in a few seconds and then generate audio in a wide range of different languages. A short audio clip of your, or a family member's voice can be stolen from any media platform and scammers can impersonate them.... and that's truly scary!!

ACORNS PRE-SCHOOL

It is with great sadness that we announce that Acorns Pre-School will be closing at the end of the summer term. Acorns has been running since 2001 and has enjoyed many years of success. However, there are a number of developments over the last few months which have led to this heart breaking decision; including the energy crisis, the national shortfall in government funding, pupil numbers and staffing. Unfortunately, these factors have led the committee to believe that continuing to run the preschool will not be financially viable.

To ensure the children of the Whitstone and surrounding villages may continue to receive childcare provision, the committee are in the process of signing the pre-school building over to Whitstone Community Primary School. The school's aim is to provide a EYFS (Early Years Foundation Stage) unit which will be based in the Acorns building. This will provide care for three and four year olds as well as the reception children. Places should be available from September 2023. You are welcome to apply for a place for your child by contacting the school, you can find contact details and other information regarding this on their website.

Unfortunately, the school cannot offer places for two year olds at this time, but if you are interested in a place for your two year old, please contact the school to show your interest, as they may change this in the future. Please direct any questions you have regarding this to the school. They are happy to help with any queries you may have.

We are very pleased to officially announce that our recent OFSTED report was Good. We would like to thank our staff for their hard work and dedication towards this and the wonderful work they do every day with the children.

Acorns would like to thank everyone who has supported them throughout the years. A huge thank you to the amazing staff members past and present who have gone above and beyond to ensure the children have had the best childcare possible. The truly wonderful volunteer committee members past and present, who have given huge amounts of time, energy and enthusiasm in supporting the pre-school in both the logistics of the daily running and also the fantastic fundraising efforts. In addition, a big thank you to the families, communities and local businesses for your continued support for all our fundraising events.

We are planning on holding a small get together to celebrate Acorns' success and say a fond farewell on Tuesday 18th July at Whitstone Village Hall from 9.30 to 11.30 am, all present and past family members are welcome.

Big Mix at Week St Mary

Week St Mary 's new Youth Group "Big Mix" meets monthly to socialise together with activities requested by the children involved. This gives the opportunity for secondary kids living in this isolated village to get together in a comfortable environment without the need to travel to towns. Although the numbers are small at present, the group shows the potential for expansion. We missed a May meeting as our Youth Leader got married! Congratulations Gemma! There will be a meeting in June - date to be announced. contact wsmyouth@gmail.com for details

The Coronation

The Parish Council would like to thank everyone who supported and helped at the King's Coronation celebrations. In true British fashion it was a shame the weather wasn't better so we could have used the playing field on the Saturday but we can't, unfortunately, plan the weather. In particular the Parish Council would like to thank the Parish Hall Committee, Jo Motsch for organising the Coronation trail, Bright Sparks, Church, Margaret Johns for making the Coronation cake and presenting the children with the Coronation money boxes and lighting the beacon, Tom Wickett for doing the BBQ, Lloyd McGrath for doing the music, Peter Bromell for donating the pasties for the lunch and everyone else who helped and made it such a success. Without people devoting their time, events like this would not happen, so once again the Parish Council would like to thank everyone for their time and support.

Vice-Chairman of the Parish Council

Week St Mary Lego Cafe

Week St Mary Church is delighted to announce the successful foundation of its new Lego Cafe and is very grateful to Mark James and Bude Lego Cafe for their help in establishing it. In May we will be using our own Lego and Duplo for the first time and we are appealing for more donations of classic Lego. We are a much more isolated place than Bude of course so numbers attending are low in comparison, but we are also offering breakfasts at each session as a service to our community. This seems to have been well received and we hope to continue to expand with time.

The next Lego Cafe will be held on Saturday 17th June - breakfast from 9.30 and Lego until 12. (You don't have to play Lego to qualify for a breakfast!!)

Week St Mary Lunch Club

Week St Mary Church has recently started a Lunch Club which has been very well received. We welcomed 15 invited guests at the first session in April and when opened up to the wider community in May we cooked for 27 in total. The service has been enabled by the Diocesan Energy grant which has helped us to provide better kitchen facilities and given financial support for heating and groceries. The people who come enjoy not only the food but also the opportunity to meet together and do something a bit different in a comfortable environment. Next Lunch Club will be 21st June at 12pm

Week St Mary Adventure Church

Adventure Church continues to meet on Tuesdays after school. Recent activities have included crafting for the Coronation, understanding the gift of the Holy Spirit by playing with wind at Pentecost and a very popular visit to a local farm to see how sheep recognise the voice of the shepherd. The children also got to feed the bullocks, help to halter train calves and ride around in a trailer gathering ewes and lambs for feeding. Future activities include a visit to Leopalooza Festival site with a BBQ and Pond Dipping at a local lake. Adventure Church is open to all children preferably of school age, Ask to join our Facebook Page -

Week St Mary Church Annual Gift Day Saturday 3rd June

On Saturday 3rd June, Week St Mary Church is holding its Annual Gift Day when we invite all members of the community to come along and visit the church to leave a gift to contribute towards the upkeep of the church and churchyard and in particular to pay for the Insurance and heating or offer your skills or interests to help in a volunteering role.

We will be setting up a series of displays to illustrate the various activities that the church is running and in which you may like to take part. There will be teas and coffees available in the morning, and afternoon tea from 2pm. Donations may be made by cash or cheque or directly via debit or credit cards/phones in our card machine.

Brochures are available in the church which explain more about the church and its governance plus Gift Aid certificates should you feel able to increase your gift by 20% in this way at no extra cost to yourself.

Week St Mary Church is for everyone, its members pledge themselves to serve the community in as many ways as possible. Do please try to help us in this mission - we look forward to welcoming you on 3rd June.
