Week St Mary Church Gift Day

Week St Mary Church had a very busy day on 10th May when Lego Cafe, Breakfast, afternoon cakes, restoration plans and hand bell ringing all came together to make a highly successful Gift Day.

Many thanks to all who helped in any way to make the day go so well and particularly to those who gave so generously to the Church and to the Graveyard Fund. Our village church relies on all of you. Thank you.

Playing Field Grass Cutting and Maintenance

Week St Mary Parish Council is inviting expressions of interest for grass cutting and maintenance in the village playing field. Please contact the clerk from June 5 if you are interested. The email address is clerk@weekstmaryparish.gov.uk

The roles will be advertised following the June parish council meeting.

Adventure Church

Thank you to Adventure Church children who have planted up the flower troughs on the village green and to those who will maintain them throughout the summer.

Adventure church has already had a busy time this term with a visit to Brendon Farm after Easter which was very much appreciated - thank you to the Gubbin family for making us so welcome (and to WSM Community shop

for the Easter Eggs!); they also planted their own mini vegetable garden in the churchyard and are looking forward to radishes, Lettuces, carrots and potatoes. We had a sunny treasure hunt and made our own burgers to eat outside one evening recently and will be going to Tudor House for Pond dipping and a Barbecue during May.

New members are always welcome from 4 years to upper primary school age. We meet every Tuesday at the church and often go

out for special visits or activities. It is best to check that we'll be at home if you would like to come by ringing 07967 684823 (Lesley Booker).

POOR MAN'S PIECE – WORKS STARTING SOON

Following on from last year's successful fund raising, work will soon be starting on improving the entrance way to Poor Man's Piece and carrying out tree surgery on 3 trees suffering with Ash die back. We need a dry spell for this! Cornwall Council's permission for the tree works has been obtained. We will publish a full plan of how the field is going to look in a month or so. Our aim is to be open for public access in mid-year.

In the meantime, if anyone is interested in donating a bench - perhaps in memory of a loved one – please contact Stephen Smith – sasmith007@yahoo.co.uk or 01288 341689. We are looking to have at least 2 benches in situ.

WEEK ST MARY BONAVENTURES WOMEN'S INSTITUTE

You may have wondered why beautiful smells were emanating from the Chapel School Room on VE day. It was the WI! Actually, not just the members themselves but they were busy making candles under the instruction of the founder of the Clovelly Soap/Candle Company. The two perfumes that we were using were lavender/lemon grass and orange/rosemary and we proudly went home carrying our jam jar candles.

The talk and instruction was given by Sarah Harper who used to work in the City of London. In 2004, after becoming sensitive to chemicals in everyday life, she cleared out all cleaning and body-care products that she had bought and taught herself to make her own simple effective cleaning products, creams and bath products. Using her aromatherapy skills, she

Our team will be visiting the village again on Wednesday 25th June from 10am to 12 noon.

We shall be very pleased to welcome any local residents who think they could benefit from our services which are completely free. Do come and meet us in the village hall, have an initial informal chat and a cup of coffee.

Nigel Parker

You may not have heard much about us – [Community Money Advice Launceston](#) that is, but we have been around since 2012 helping any local residents with their very personal problems – debts, benefit problems and budgeting. Thanks to the award of some new funding, we can now visit the village on a regular basis, to hold individual confidential interviews with those who may be experiencing difficulties. Our experienced and fully trained team of volunteers provide this free service, and we aim to reach those residents who may find it awkward to visit us, through poor public transport. Many of our clients have problems dealing with complicated 'forms' related to benefits, or in contacting utility providers. Some, particularly our older clients have poor or no IT (computer) skills that are now essential when in touch with government departments. Please watch your local notice boards for details of when we shall be around, or you can contact us direct to arrange an appointment at any time on 01566 777407, by email

Smart phones are now a thief's best friend

People of all ages now use a smart phone for communication and entertainment, but they may not realise the apps they download can also create open doors to a thief who can ransack their files and steal their most private and personal data.

The term App has crept into the English language meaning small computer application and has several benefits, first to the user as a means of entertainment and second to the producer as a source of income, either legitimate or criminal.

Dangerous apps disguised as "legitimate" downloads.

Hackers have produced a range of bank-emptying tools, which silently steal your money and personal data. Attackers target Android phone users, tricking them into

installing fake downloads, Apple systems are not immune to this type of attack, but less so!

The hackers are using a development tool called .NET MAUI to create fake apps they look and feel like the real thing, these apps might claim to be for banking or dating or access to social media. This tool will mask the code hidden from antivirus software; however, these apps are not available through Google store and are blocked by Google's play protect.

This means if you receive an email or message suggesting you download an app outside of Google's protection, there's a good possibility your phone will become infected. These apps are blocked from Google's Play Store.

HOW TO CHECK YOUR APPS ARE SAFE

First, make sure that Google Play Protect is switched on in your phone. Go to Google Play Store on your Android phone and tap on your profile icon. Then go to Play Protect > Settings > Scan Apps with Play Protect and toggle the feature on.

This will scan apps you're downloading to make sure they're OK!

This technique will also work on historical downloads downloaded from unknown sources.

Turning on the "Improve harmful app detection" setting, you allow Google Play Protect to automatically send unknown apps to Google for checking.

Go to the Google Play Store, then Profile > Play Protect > Settings.

blended her first 8 natural soaps and started a little business in London. Following their dreams the family moved to Clovelly in 2011 and took on the name of The Clovelly Soap Company. Her husband became full-time chief soap maker in 2013 and they opened the little Soap Shop at the top of Clovelly's famous cobbled street in 2014. Since then the business has expanded to include a hardworking crew of staff – some from Clovelly itself.

Over the years the product range has evolved to include all natural plant wax candles, pure skin balms, home fragrance products and luxury bath treats. All the products are formulated by Sarah using the finest sustainable oils, home grown herbs and locally foraged sea

weeds. They now have 40 perfumes. Therapeutic grade essential oils are used along with simple effective natural skincare to help avoid allergies. Not only are the products available throughout the UK but are now sold around the world putting the name of Clovelly on the world map. Wonderful news about a local business.

The first photograph shows Sarah Harper, the Founder, foraging for ingredients on the local beach. The second shows the shop front in Clovelly.

Anyone interested in finding out more about our WI can contact Roberta Jones, Secretary, on 07788-548875.

The next meeting will take place on Thursday 12th June at 7pm for 7.30pm in the Chapel Sunday School Room.

4. Emergency item – grass cutting
Councillors were informed that due to ill health Trevor would be unable to cut the grass and carry out the strimming etc with immediate notice. Cllr Slade said the clerk could ask Harley Friend, who does Back Lane, if he is able to cover for the time being. The clerk will send a letter to Trevor wishing him well and thanking him for all the hours he has put in for the parish over the years.
5. **Date of next meeting May 20th at 19.30**
6. **Items for May 20, 2025 annual meeting**
Football club lease; grass cutting; playing field maintenance.

The meeting closed at 8pm.

Please Note:

The Parish Clerk is currently on annual leave so the Parish Council minutes of the meeting held on 20th May will not be available until the first week in June. At which time they will be published on the village website.

DRAFT Minutes

1. **Public question time** (15 minutes allowed for this – on matters on the agenda only)
Paddy Fay, on behalf of the football club, queried the fourth amendment on the football club revisions. It was decided to highlight this with the solicitor to see if the council needed this to be kept in.
A resident queried the minutes of the last council meeting (not on the agenda). She said the initial impression was that a portion of the blame lay with the South Western Ambulance Trust, but they should reflect that the parish council did not tell them the old defibrillator was taken down when the new one was put into place.
2. **To note councillors present**
Cllrs C Slade (chair); I Richardon (vice chair); R Bolt; M Johns; S May; L Stephens and R Shipton. Also in attendance: S Cleave, clerk and seven members of the public.
3. **To receive apologies for absence with reasons**
Cllr Gubbin, work; Cllr Chopak.
4. **To receive Declarations of Interest and approve Dispensations**
None.
5. **Agenda items**
 1. Football club lease
Cllr Slade said she was eager to get the lease sorted. Following correspondence from the solicitor and Mr Smith (whose son looked at the situation), if the council went down the route of handing it over to a solicitor, it would be prepared to split the cost 50/50, with the option of the football club paying in instalments if preferred. The clerk would forward the exact costs to Paddy and he said he would take it back to the football club, then get back to the council.
It was proposed to go down the legal route, with a letter being sent to the football club with details of the costings, and the parish council would be willing to pay half.
 2. Defibrillator
The council considered handing over the contract to maintain the two defibrillators to Duchy Defibrillators at a cost of £205 plus VAT per year per unit. It was noted that the funds could be applied for from the Community Benefit Fund as it is a benefit to the community. This was proposed.
 3. Audit
It was proposed to instruct Linda Coles to act as this year's internal auditor.

Ruminations from the Rectory

A son took his father out for an evening dinner. His father being old and weak, while eating dropped food on his shirt and trousers. Other diners watched him in disgust while his son was calm. After he finished eating, his son who was not at all embarrassed, quietly took him to the washroom, wiped the food particles removed the stains, combed his hair and fitted his spectacles firmly.

When they came out the entire restaurant was watching them in dead silence not able to grasp how someone could embarrass themselves publicly like that. The son settled the bill and started walking out with his father. At that time an old man amongst the diners called out to the son and asked him, "Don't you think you have left something behind?"

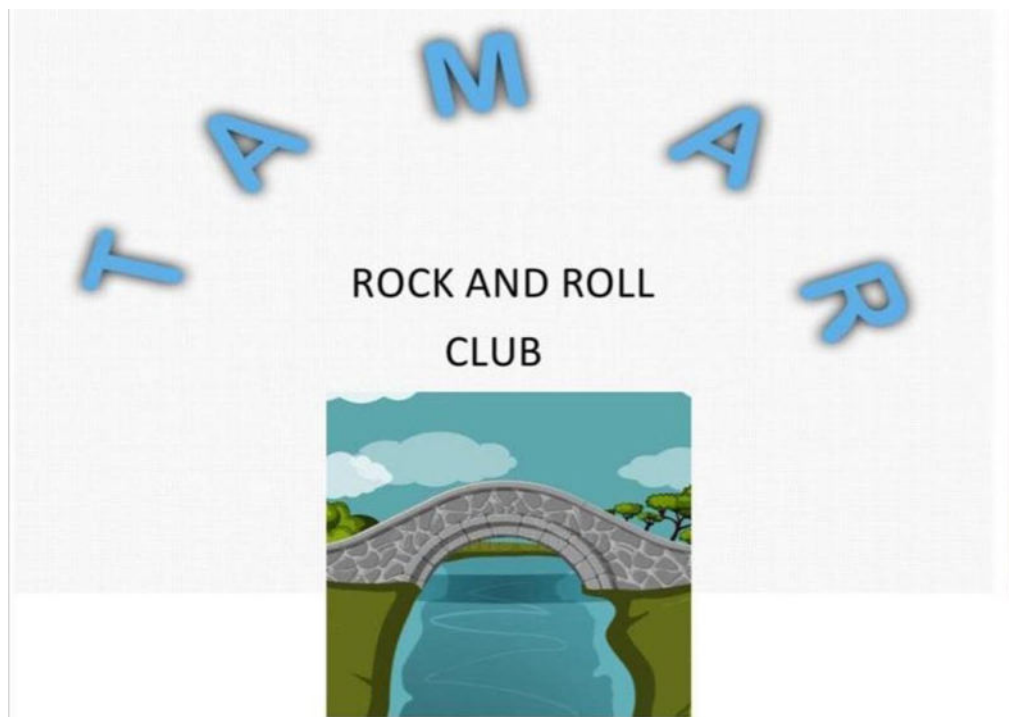

The son replied, "No Sir, I haven't. "

The older man retorted, "Yes you have, you left a lesson for every son and hope for every father." The restaurant went silent. The old man continued, "To care for those who once cared for us is one of the highest honours. We all know how our parents cared for us for every little thing. Love them, respect them, and care for them.

The Bible says, Honour your Father and Mother.... *Exodus chapter 20 verse 12.*

Maire Richardson 1933 - 2025

We are very sad to announce the passing of Maire Richardson on Sunday 11th May whilst celebrating her recent 92nd birthday with us, paddling at Polzeath beach, Maire passed away. Although sudden, it was the perfect ending for a lady who so loved the outdoors. We would like to thank the many people in the village that helped mum to enjoy her last seven years here, especially Sarah Fulford, Jo Weight, all at the village shop, the Parish Church and the Methodist Church. Maire was truly a force of nature and we will miss her greatly.
