- An open meeting will be held at the Park House Centre on 18th April with a question and answer session regarding local Health provision, Stratton Medical Centre etc.

- There will be a Community Network meeting on Monday 30th April. Discussions will include transport and the Highways budget.

- Following a query from one of the Parish Council's in the Poundstock division it was noted that an Act of Parliament 1894 forbids funds held in the Parish Council's accounts from being used to support the fabric, fixtures and fittings of any religious buildings. This does not appear to prevent the PC from helping to raise funds for these purposes but it must not hold the funds itself. Clarification is being sought from CALC and an update will be available for the next meeting. Caution should be exercised.

- Week Ford Bridge works are due to be finished by 22nd April.

- The question of potholes was raised and Cllr Chopak confirmed that she is aware of the specific ones mentioned.

- There is a Community Litter Day planned and a link is available on the website. Cllr Ward felt that this could be organised within the village and a day should be planned to do this.
